Badminton

Summer Camp 2011

with programme FOR ATHLETES WITH HEARING IMPAIRMENT
(14. – 20. 8. 2011)

The Badminton Summer Camp 2011 is organised for players from U13 to U15. It is also possible to make exceptions. The camp is going to be a one week intensive training programme (6 hours per day), spent mostly on court. The camp is going to be specialized for general development of your badminton skills. We will gladly welcome any of your suggestions regarding what you would particularly like to work on. The exact schedule and programme will be prepared after the application deadline and according to the players' requirements. There will also be training sessions at the athletic stadium during which we will work on speed and power. You will also learn important information about the tactics, healthy lifestyle, nutrition and regeneration. Our hall is equipped with 5 mobile badminton courts. The athletic stadium and the swimming pool are just 2 minutes walk from the hall. The accommodation is going to be organised in the Sportshall's Guesthouse which is perfectly suitable for events of this kind.

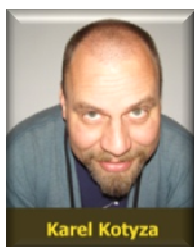

The Badminton Summer Camp 2011 will also arrange ideal conditions for athletes with **HEARING DISPAIRMENT**. There is not going to be any special programme for the athletes with hearing impairment. Our aim is to integrate them between other players and put them into groups according to the level of their badminton skills. A guarantee of a non-problem communication with the staff and the others is going to be a coach who can talk in sign language.

The advantage of the Badminton Summer Camp 2011 is an opportunity to dedicate the whole week to badminton and take back home many new things and ideas for your own training. We expect a 100% enthusiastic attitude from our participants and as a payback we will deliver the best from our coaching skills. You have to hand in the Health State Declaration at your arrival in order to be accepted to attend the camp.
